November Updates

This month, the Trial Team took our invitational teams to compete at Wheaton College, where all three teams proved to be some of the strongest teams this organization has seen. The teams are now stacked into Blue, Orange, and Silver, and everyone is busy preparing for the Spartan Throwdown at Case Western Reserve University on November 9th-10th.

Mocker of the Month

Congratulations to **Stephanie Flowers** for being the November Mocker of the Month!

Stephanie is a first year mock trialer on blue. She is both an attorney and a witness. Stephanie has really taken the initiative to learn the nuances of mock trial in order to best perform in the courtroom. She plays a phenomenal defendant, and conducts a very professional pretrial. Stephanie is also very easy to work with, and always respects other's opinions. She is open to trying new things, and a great addition to this team!!
